DRAIN JETTING & CCTV SPECIALISTS

The Management of Drainflo Ltd recognises that it has a legal duty of care towards protecting the health and safety of its employees and others who may be affected by the company's activities, and that managing health and safety is a business critical function. In order to discharge its responsibilities, the management will;

- bring this Policy Statement to the attention of all its employees
- carry out and regularly review risk assessments to identify proportionate and pragmatic solutions to reducing risk
- comply fully with all relevant legal requirements, codes of practice and regulations at national and local levels
- eliminate risks to health and safety, where possible, through selection and design of materials, buildings, facilities, equipment and processes
- encourage staff to identify and report hazards so that we can all contribute towards improving safety
- ensure that emergency procedures are in place at all locations for dealing with health and safety issues
- maintain our premises, provide and maintain safe plant and equipment
- only engage contractors who are able to demonstrate due regard to health & safety matters
- provide adequate resources to control the health and safety risks arising from our work activities
- provide adequate training and ensure that all employees are competent to undertake their work
- provide information, instruction and supervision for employees
- regularly monitor performance and revise policies and procedures to pursue a programme of continuous improvement
- where risks cannot be eliminated they will be minimised by substitution, the use of physical controls and safe systems of work, or as a last resort, the use of personal protective equipment.
